# ABOUT US

## INTRODUCTION

Skyways Financial services is a Microfinance institution that specializes in providing financial services and advices to Micro, Small and Medium Businesses at large. Our aim is to pursue and unlock the vast potential that lies in all businesses or sectors using the value chain financing approach. We focus on serving cash and debt constrained customers. Skyways Financial organisation aims at providing financial breakthrough to financially constrained individuals or organisations.

## VISION

“To increase our clients’ wealth by providing efficient financial structuring whilst sourcing the most appropriate financial package for their individual or business needs.”

## MISSION

To provide access to socially responsible financial services that will enable individuals and communities to invest in their future.

# VALUES

## CORE VALUES

**Skyways Financial Services is guided by the following core values and principles:**

**Respect:**

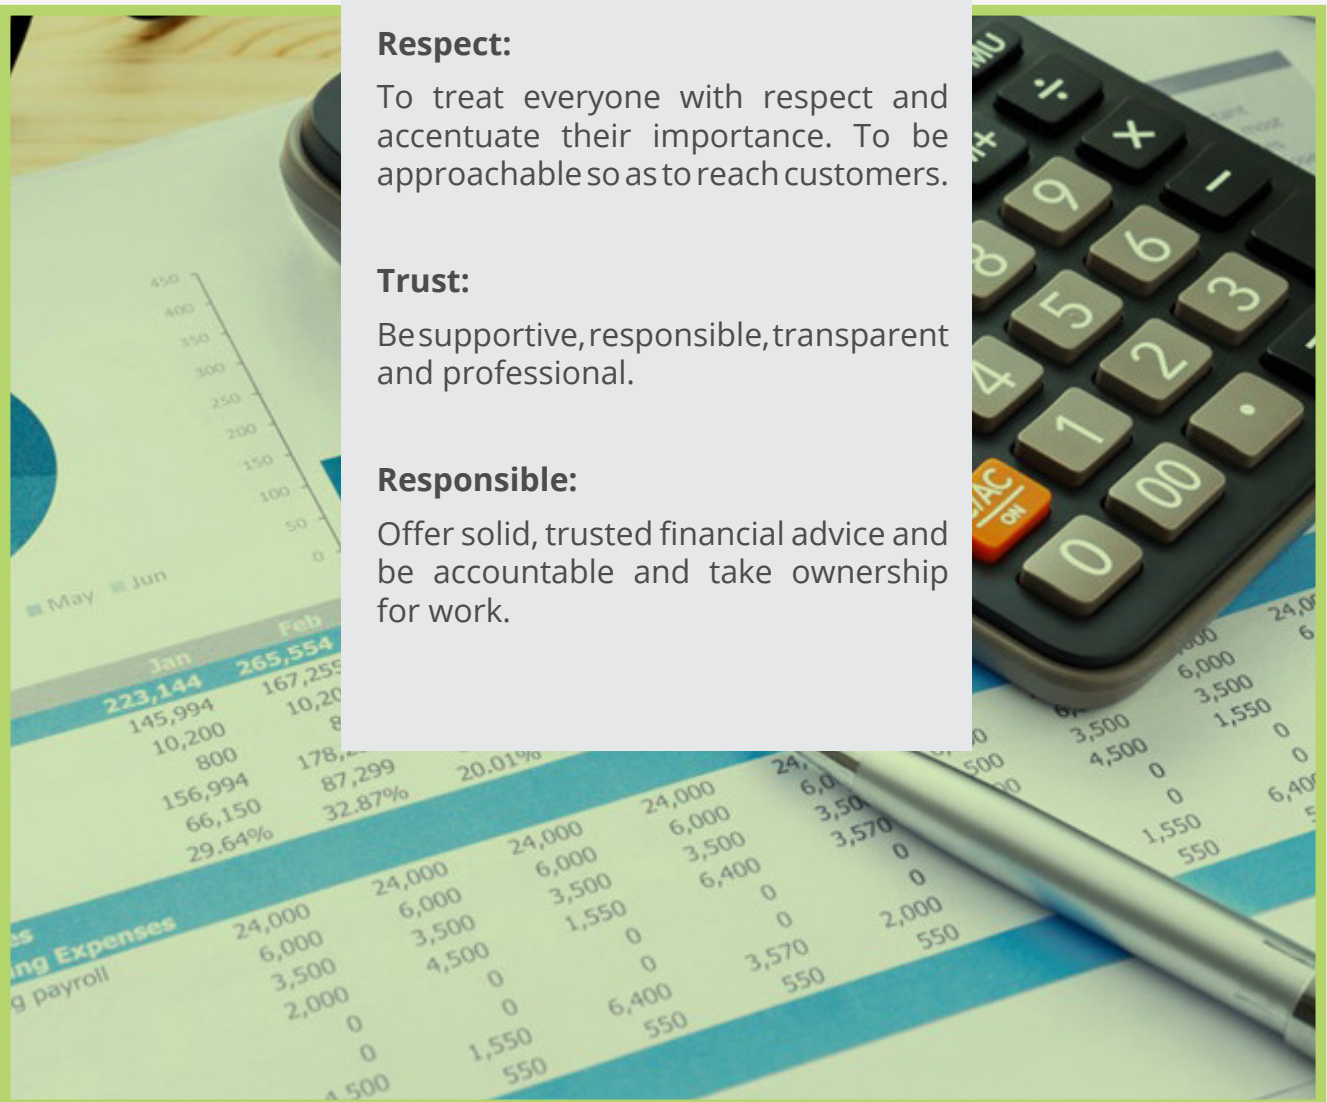

To treat everyone with respect and accentuate their importance. To be approachable so as to reach customers.

**Trust:**

Be supportive, responsible, transparent and professional.

**Responsible:**

Offer solid, trusted financial advice and be accountable and take ownership for work.
